

SOCIOFY

"Connect, Share, Thrive — The Sociofy Way."

Development Model - Prototyping

Why Prototyping?

- Rapid feedback and iteration cycles.
- Helps refine requirements and UI design.
- Reduces risk by identifying issues early.
- Enhances user involvement in development.
- it was the most suitable in the case where flaws can be worked on after each iteration until final model is obtained

ROLES INVOLVED

- General Users: Basic interactions - chat, post, like, and comment.
- Gold Members: Additional feature - visitor view insights.
- Admins: User and content moderation banning abilities.
